

BETH HAMEDRASH SHAAREI YOSHER INSTITUTE

CAMPUS SECURITY PROCEDURES

(A) **Campus Crime Reporting Procedures:** Immediately after witnessing a crime, a student or employee must notify the nearest police station. In the event of any danger or risk, such as a bomb threat, suspected criminal or suspicious character on premises, etc., any witness should discreetly and cautiously notify the senior administrative staff member on campus. This will prompt immediate notification to all students and employees as to precautions to take while avoiding panic.

All crimes should be brought to the attention of Mr. Isaac Herbst who serves as the liaison with the local police in coordinating information and keeping students informed. Relevant crime information will be publicly announced to the student body within 24 hours of a crime.

(B) **Policies on Access to Facilities:** Access to all school facilities is restricted to approved students and employees, as well as to authorized visitors. All buildings are to be securely locked after programs and study sessions have ended. After-hours student access is provided only by contacting appointed employees and/or students.

(C) **Current Campus Law Enforcement Policies:** The institution maintains no security department of its own. Students must always be mindful of their responsibility for the welfare of themselves as well as of fellow peers. Any student or employee that is witness to a dangerous or suspect situation is expected to immediately communicate with the local law enforcement agency.

(D) **Availability of On and Off-Campus Counseling and Mental Health Services for Crime Victims:** Counseling is available on campus and is provided by faculty and administration members. If a student would prefer to work with someone outside of the school administration, the institution may refer him to the Chai Lifeline Crisis Hotline.
